

SPORTS SPONSORSHIPS

What they mean to Gaston County Kids

The YMCA is a standard bearer for youth sports. We not only teach children about sports, but also teach them life lessons. As always, our focus is a fundamental and instructional program that places a high emphasis on character development, good sportsmanship, winning pride, and losing dignity.

As a youth sports sponsor, you not only receive positive exposure for your business, but also you provide underprivileged kids in Gaston County with the opportunity to participate in character building sports. Your sponsorship is more than a great advertising bargain, it's an opportunity to impact lives in our very own community.
