

BE A PART OF SOMETHING

GREAT the

Gaston County Family YMCA  
Annual Report 2016

Dear Friends:

This year we celebrate you, our volunteers and stakeholders in the community who make our YMCA the great organization that it is today. Whether you serve on the board, coach sports, fundraise for those in need, serve lunch at a park, or participate in Leaders' Club, the Y is better because of your hard work and dedication. The Y has been a volunteer-based organization since its earliest day in 1844 when the YMCA began as a Bible study for young men in London, England.

Locally the YMCA serves 1 in 7 Gaston County residents. We devote our full strength and attention to strengthening community. As we celebrate our accomplishments from 2016, we look forward to opening the New YMCA on Robinwood Lake in late 2017. In addition, our dedication to shifting the charity paradigm and reducing poverty throughout the county is stronger than ever.

Thousands of people every day make their life a little healthier through the Y by getting the support and resources they need to improve their health, increase well-being and prevent chronic disease. Thank you for engaging with us to make Gaston County stronger.
