

How to Register for Non-YMCA Members

www.bit.ly/register2run

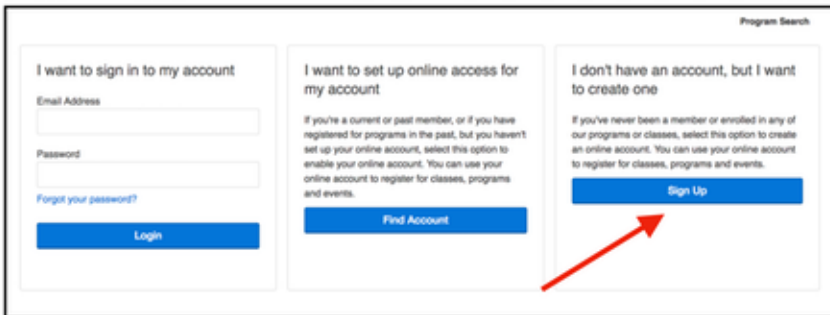

1 Go to bit.ly/register2run
Click on "5K- Early Race Registration" in blue

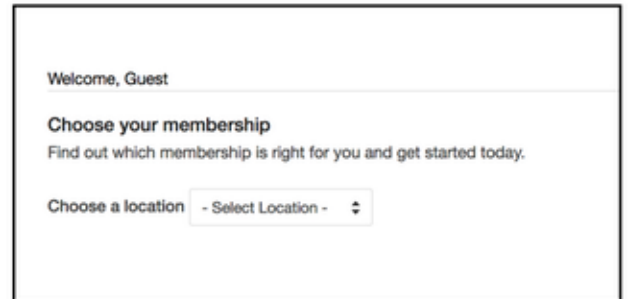

2 Click "Register".

3 Select the third blue box under "I don't have an account..."

4 Select a YMCA location from the drop-down menu. It does not matter which one you select.

5 Scroll to the bottom of the page to select "Participant". This allows you to create an online account without actually joining the YMCA.

This is listed at the very bottom, underneath the member options.
