MISSION IN MOTION

2019 Annual Report
GASTON COUNTY FAMILY YMCA
Letter from Sharon Padgett

Dear YMCA Friends:

To say that 2019 was an awesome year would be underselling the feelings and excitement that I feel today. From exceeding our Annual Giving Campaign, to completing a new Strategic Vision, to starting a new Capital Campaign for the Stowe Family YMCA, the Gaston County Family YMCA is better than it has ever been! Our Board and Community volunteers have been BOLD in setting the vision for the future. Our Staff have been BOLD in meeting the community needs in their communities of Gaston County. Our members have been BOLD in sharing with us daily how we can grow together to make our Y 1% better every day. Our mission is what drives this organization...To put Christian principles (judeo christian values of caring, honesty, respect, responsibility and faith) into practice through programs (the programs are our tools for which we can reach people in our community to live healthier lives, safe places for children, saving lives through drowning prevention, etc.) that build healthy spirit, mind and body FOR ALL (everyone, regardless of your faith, your race, your sexuality, your political party, or your sport affiliation :))

All are welcome at the Y....It’s where community lives.

Sharon Padgett
President and CEO
Gaston County Family YMCA
BE A PART OF SOMETHING BIG!

WE´RE UP 6.5% IN MEMBERSHIP UNITS WHICH MEANS WE´RE SERVING MORE OF OUR COMMUNITY!
The Gaston County Family YMCA believes that teaching children how to be safe around the water is not a luxury; it is a necessity. The YMCA has addressed this issue for the past 5 years through the Swim Initiative. In 2019, the YMCA partnered with the City of Gastonia and Least of these Carolina to bring the nationwide Safety Around Water program to Gaston County. This program is designed to engage and educate parents about the importance of water safety skills and provide access to water safety lessons. There are currently three participating locations including Lineberger Park Pool, Erwin Center Pool, and the Stowe Family YMCA.

As part of the Y’s commitment to reduce drowning rates and keep kids safe in and around the water, the Gaston County Family YMCA will continue to provide support for swim instruction and water safety to children from under-served communities in our area.

The Gaston County Family YMCA is happy to partner with Gaston County School Nutrition to offer 3 summer feeding locations supported by our staff and volunteers. Summer can be an anxiety-provoking time for 16 million kids across the U.S. who are struggling with hunger at home. The end of every school year means lost access to free and reduced-price lunches that provide regular nutrition to growing bodies. This healthy meal initiative infuses elements of Summer Day Camp at local city parks and municipal apartment complexes serving 1,563 meals in 2019.
The Gaston County Family YMCA is dedicated to improving the quality of human life and to helping all people realize their fullest potential as children of God through the development on the spirit, mind, and body.

SENIOR INITIATIVES
The Y helps seniors stay active, engaged, and healthy. Seniors at the Y enjoy group outings, Lunch and Learns, group fitness classes, volunteer opportunities and events designed to promote mental agility, good health and independence.

## Evidence-Based Health Intervention Programs

### Livestrong at the YMCA

The Y and LIVESTRONG joined together to create LIVESTRONG at the YMCA, a free 12-week physical activity and well-being program designed to help adult cancer survivors achieve their holistic health goals. The small group, research-based program offers cancer survivors a safe, supportive environment to participate in physical and social activities.

### Enhance®Fitness

Enhance Fitness is geared toward older adults. Those with a chronic condition such as arthritis, need not worry; they will never have to do anything that hurts. Participants can use chairs for support, if necessary, and increase the weight they use for strength training at their own pace. Participants also report improvement in depression and socialization as well as lower medical bills.

### Moving for Better Balance

Moving For Better Balance is a group exercise program developed by researchers at the Oregon Research Institute. The program, based on the principles of Tai Chi, is led by a qualified instructor and teaches eight movements modified especially for falls prevention. The program works to improve balance, muscle strength, flexibility and mobility to enhance overall physical health, which leads to better functioning in daily activities. Some Participants also report better mental health, reduced stress, improved memory and cognition, and increased self-esteem.

### Providing Support for a Nationwide Epidemic

### Weight Loss Program

The Weight Loss Program is designed to help people seeking a healthier weight achieve their goals by making small, modest changes to their daily behaviors, and forming sustainable healthy habits. Participants joining the program should be ready to commit to daily food and physical activity tracking as well as developing self-designed weekly action plans that incorporate what is learned during each session. This program helps participants build skills for successful lifestyle changes as opposed to advocating any specific or restrictive short term solution.

TIME TO EXPLORE

AFTERSCHOOL SERVICES

YMCA Afterschool provides a safe and inclusive place for children after the final bell. Each day students participate in structured physical activities, homework help, and healthy snacks. During this time we aim to shape character by modeling, teaching, and reinforcing positive values to all students. The YMCA believes in the character development traits of Caring, Honesty, Respect, Responsibility, and Faith.
