Safety Around Water (SAW) –
Teaching children how to be safe around water is not a luxury; it is a necessity. The YMCA’s Safety Around Water program can help you make sure they learn essential water safety skills, which can open up a world of possibilities for them to satisfy their curiosity safely. Through learning how to perform a sequenced set of skills over eight lessons of 40 minutes each, the risk of drowning is reduced, giving your child confidence in and around water.
The SAW program is a National Initiative. It came to Gaston County in 2019 at Lineberger Park, Erwin Center, and Stowe Family YMCA. We are looking for expand these efforts in 2020.
