Tuscarora offers a variety of different activities for campers to participate in, including Waterfront, Science and Outdoor Education, Creative Arts, Field Games and Target Sports like Archery and Slingshots. Campers will have ample opportunity to let their athleticism, creativity, and performance skills shine. Located at the Warlick YMCA, Camp Tuscarora is on 115 acres and a pristine lake. Our campus offers plenty of room to run, play, and grow!

There is a ton of fun to be had on our lake, and water activities camp is the best way to engage in water-based adventures for all interests and ability levels. Whether it's walking on water with a SUP, honing your skills in a canoe, jumping on the blob, fishing, lake swimming, creek panning, and so much more! There is a week full of fun on the water just waiting for your camper!
